04/07-07/08

♦Eastern Connecticut State University- Willimantic, CT

Adjunct Professor: Taught graphic design, a class integrating digital production tools with typography and design history.

01/04-12/5

♦Chashama- New York

Artist in residence: Worked from studios on Times Square and in Tribeca, painting, filming, documenting other artists/performances, and redesigning website. Collaborated with other artists to create installations, curate and run exhibitions at Chashama. www.chashama.org

06/01-06/05

♦TRAFIKAfilms- New York

Partner: Conceptualized structure and direction of non-profit company. Created web page, organized and maintained small video lab and office, aided artists in editing and creating videos, worked with school children from the After School Program to make a short video broadcast on NY1, and created films screened at international film festivals.

2000-2002

♦CARTAH lab- Seattle,WA

TA: Assisted teaching video installation classes to create videos and output them to a variety of media. Designed web pages, created instructional materials, and aided in maintenance and acquisition of computers for the CARTAH lab.

11/99-06/01.

♦Trimedia- Prague, Czech Republic

Freelance Designer: Web design, including conceptualizing and producing graphical elements for pages; designed interface for CD-ROM projects; created titles for movie projects using the Media100 and Adobe AfterEffects; conceptualized and designed project for broadcast TV. Worked with students at FAMU(Prague's film academy) to create installations.

04/98-09/99

♦Prognosis Weekly- Prague, Czech Republic

Production Manager: Involved in all aspects of layout and printing of a weekly newspaper with a readership of 24,000. Scanned photos; produced illustrations and covers; designed ads and media kits; system manager for a network of PowerPC Macintosh computers; and dealt with the printer in optimizing print quality and actual production quality control.

09/94-03/95

♦Reed College software development lab- Portland, OR

Student intern: Duties included; computer hardware maintenance, software development, teaching Photoshop, and research.

06/92-12/92

♦**Orszagos Grafikai Muhelyj- Vac, Hungary**

Lithographer, freelance artist.

Fall 1991

♦**Atelier Franck Bordas- Paris, France**

Apprentice lithographer, studio hand, and paper cutter

Spring to fall 1991
