

LIFEGUARDSTATION

13 lifeguard stations each shot on a DSLR for 90 frames at 20 second intervals (30 minutes).
Walking from Marina del Ray to Santa Monica along the entirety of Venice Beach.
One whole day, 7am-7pm, September 23rd, 2008.
Thinking of Ed Ruscha, his studio turned into a parking space,
and the California landscape.

single, or thirteen channel video
September 23rd, 2008
DVD, Blue ray, or higher resolution format.
The stills in this booklet are excerpted
from the video.
